“ I have worked with Hiller Commercial Floors for over 25 years and have always had excellent workmanship with their crews. They have always been very competitive with pricing, have a positive attitude, are dependable and will accommodate our changing healthcare needs. I highly recommend them for any type of flooring installation. ”

 Detroit Lakes, MN*

“ Hiller Commercial Floors has always come through when we have needed them. The quality, promptness and their ability to work in a changing and challenging environment is top-notch! ”  
*Kip I Ridgewater College  
 Willmar, MN*

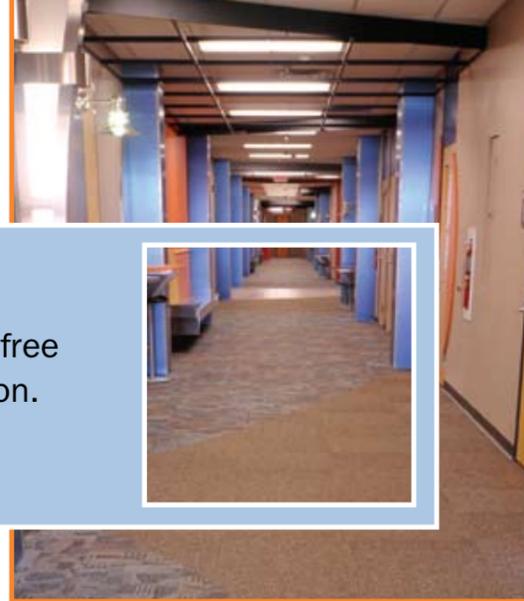

“ Ramsey County has realized many benefits when contracting with Hiller Commercial Floors for carpeting projects. For me, the greatest of these is their willingness to work with us to accomplish the project with virtually no interruption in service to the building occupants/clients/tenants/patrons! ”  
*Mary I Ramsey County  
 St. Paul, MN*

“ I have personally worked with Hiller Commercial for the past 16 years. I like calling Hiller's because we know a professional crew will install a high quality product. We have a very limited opportunity to install flooring, yet Dave Bahr and the crews from Hillers have projects come in on time with no interference to our schedules or extra expense. Hiller will continue to be our sole source for flooring. ”

### Furniture Lifting

Furniture lifting is a revolutionary system created by Hiller Commercial to enable the installation of flooring without removing furniture from your commercial space or you having to close your business. We use specialized equipment to replace your flooring quickly after hours without you having to lift a finger, let alone your desk.

### Floor Grinding/Polishing

Hiller Commercial possesses the specialized equipment required for your bead blasting needs. With this equipment, we can grind and polish your concrete floor to remove old adhesives and solvents before the installation of new flooring.

We are proud members and supporters of the State Engineers Guild, Minnesota Park and Recreation Association, Minnesota Library Association, Aging Services, Minnesota Association of School Maintenance Supervisors, Minnesota Association of School Administrators, Minnesota Association of School Business Officials, and Minnesota Schools Boards Association

Outfitting commercial spaces is where it all began for Hiller Commercial Floors over 65 years ago. By working with our on-staff ASID designer, you can have every confidence in our ability to help you achieve the look and feel you desire.

As a State Contract Flooring Vendor for over 25 years, we have worked in all Government facilities in Minnesota, from prisons, colleges, State office buildings, and even the Governor's mansion.

We have worked closely with the Rochester medical community as well as many nursing homes, hospitals, senior living and assisted care facilities throughout the state.

*\*We are an Aging Services Alliance vendor*

Working with over 50 different school districts, as well as 30 colleges and trade schools, we've installed a variety of flooring, including roll carpet, tile carpet, vinyl tile, linoleum and sheet vinyl.

We've worked with apartment complexes all over Minnesota. By keeping a large selection of carpet and sheet vinyl in stock, we've been able to install flooring during turnover periods in a quicker and more efficient way.

Together with our ASID designer, we have worked with hundreds of church committees narrowing choices and providing assistance to get that 'perfect look' for the church that the whole congregation can be proud of.

When it comes to hotels, restaurants, and event centers, we know closing the doors isn't an option. Working quickly and efficiently after hours, we've been able to install our flooring while ensuring continuous business for our clients.
