

Just put everything on the counters, we tear out the old carpet carefully.

We gently pry up the partitions to facilitate old carpet removal.

Mini-lift equipment is inserted under work stations.

The work station is lifted about 1/2".

## Furniture Lifting

Furniture lifting is a revolutionary system to enable the installation of flooring without removing furniture from your commercial space or you having to close your business. We use specialized equipment to replace your flooring quickly after hours without you having to lift a finger, let alone your desk.

Since 1947

While lifted, we slide new carpet tile under the equipment.

The new carpet is slipped under the partitions.

The field carpet is installed.

Roll the new carpet to ensure adhesion and we are done!
